TREND-SETTING DESIGN

For riders who prefer not follow the crowd, the unique design of the Vulcan S offers a stylish, modern alternative to the traditional cruiser image.

URBAN MOTORCYCLE

Special attention paid to ensuring high levels of fit & comfort, and confidence in riding make the new Vulcan an attractive option for new riders and female riders looking for a stylish, accommodating motorcycle. Accessible in all senses of the word, with the Vulcan S riders can come as they are, and just get on and go.

TECHNOLOGY BOOST

Gear indicator added to the dash increases shifting precision and confidence, while also contributing to a sporty image.
